

NOTICES OF AGENCY GUIDANCE DOCUMENTS

The Administrative Procedure Act requires the publication of guidance documents and substantive policy statements issued by agencies (A.R.S. § 41-1013(B)(14)). Substantive policy statements and guidance documents are written expressions which inform the general public of an agency's current approach to rule or regulation practice. Substantive policy statements and agency guidance documents do not include internal procedural documents which may only affect the internal procedures of the agency and do not impose additional requirements or penalties on regulated parties in accordance with A.R.S. Title 41.

2. Date of the publication of the guidance document and the effective date of the document if different from the publication date:

November 1, 2005

3. Summary of the contents of the guidance document:

The guidance document provides the Arizona Department of Health Services' (ADHS's) recommendations for EMT-Basic use of an ETDLAD in the prehospital emergency setting. ADHS views the ETDLAD as a useful tool for prehospital airway management and, by adopting A.A.C. R9-25-511, has added use of an ETDLAD to the EMT-B scope of practice as an optional skill acquired through prescribed training. ADHS intends for this document to be a guideline for the prescribed training under A.A.C. R9-25-511(C).
